# BLACKWELL'S

WASHINGTON, D. C., April 8th, 1884.

Mr. J. S. CARR, Pres.

SIR:—I am now smoking your most excellent Durham Tobacco, and can most heartily recommend it to all smokers of the weed It is free from all impurities, imparts a pleasant aroma, and is preferable to all other brands of tobacco that I have smoked.

J. C. S. Blackburn
Senator from Kentucky.

ALFRED TENNYSON.

Thackeray's gifted daughter, Anne, in her sketch of Alfred Tennyson, in *Harper's Monthly*, tells of her visit to the great poet. She found him smoking Blackwell's Bull Durham Tobacco, sent him by Hon. James Russell Lowell, American Minister to the Court of St. James.

# BLACKWELL'S

U. S. SENATE, WASHINGTON, D. C., April 8, 1884.

DEAR SIR:—For five years past I have used constantly the Blackwell Durham Smoking Tobacco. I regard it as the best and most satisfactory smoking tobacco I have ever used, and take great pleasure in recommending it to all who, like myself, are fond of the pipe.

Richard Coke

*Senator from Texas.*

WASHINGTON, May 13th, 1884.

MR. J. S. CARR, Prest.

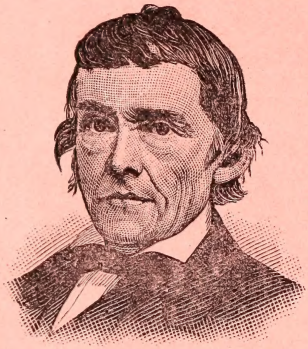
DEAR SIR:—I take great pleasure in recommending your celebrated Smoking Tobacco as free from impurities, of excellent flavor, and should be a favorite with all tobacco smokers. Very respectfully,

M. C. Butler

*Senator from South Carolina.*

# DURHAM.

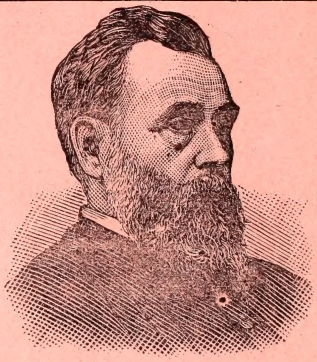
# BLACKWELL'S



I have been for over twenty years a constant smoker. I find in Blackwell's Durham that true excellence found in no other brand—uniformity; every package being the same. I can smoke it at all times, day and night, with impunity; it acts as a mild and pleasant stimuant, always quiets my nerves, and in no way disagrees with me. It is a great comforter, a pure, sweet and mild smoke.

Alexander H. Stephens

*Ex-Governor of Georgia.*



[From Rev. W. H. Milburn, *the famous Blind Preacher*]
New York, April 3d, 1884.

For ten or twelve years I have used Blackwell's Durham Smoking Tobacco, and find it the most satisfactory of all I have tried. I gave Thomas Carlyle a pound of it, as we often smoked together, and he warmly praised it. I have found no tobacco on either continent that compares with it.

W. H. Milburn.

F. M. Cockrell

*Senator from Missouri.*

U. S. SENATE, WASHINGTON, D. C., April 10, 1884.

J. S. CARR, Esq., Pres.

DEAR SIR:—In answer to yours of yesterday I have to say that I have for many years used the Blackwell's Durham Smoking Tobacco and prefer it to any other that I have tried.

Respectfully,

# Durham Fertilizer Co.,

DURHAM, N. C.

THE BEST FERTILIZER SOLD IN NORTH CAROLINA IS THE

## Durham Bull Fertilizer,

Manufactured at Durham. N. C., by the

Durham Fertilizer Company.

**Why do we say it is the Best?**

**Because the Farmers all over the State bear us out in the assertion. Hear what they have to say and be convinced. Remember that the crop results are the only true test of the value of a Fertilizer to the Farmer.**

***Why should you use only Durham Bull Fertilizer on your Tobacco?***

Because the best tobacco farmers in the Golden Belt of North Carolina say it is the best TOBACCO Fertilizer they ever used. It does not BURN the crop even in successive droughts. By its use you are insured a LARGE, RICH, WAXY tobacco. It is made by a HOME company, in the very center of the TOBACCO SECTION, who know what is required to make the BEST TOBACCO Fertilizer. It is ammoniated with the best Peruvian Guano, and is free from sand and water. See what some of the very leaders in growing fine tobacco say:

ALEX. G. FLEMING, of Dutchville, Granville county, N. C., says: "It stands dry weather well, gives a steady growth, makes *large, rich plants*, and tobacco *cures well* from it. It is certainly as good Tobacco Fertilizer as I ever used."

N. H. FLEMING, Dutchville, says: "It is a FIRST CLASS Tobacco Fertilizer in every respect. No other fertilizer surpasses it in my judgment."

M. L. COLEY says: "The Durham Bull *takes the cake*—stands dry weather better than any I ever used. Grows large, rich tobacco, which cures well. It has no superior with me."

J. A. HOLLOWAY, Fish Dam, Durham county, N. C., says: "I used Durham Bull Fertilizer beside the best Tobacco fertilizer I could get, and find it is fully equal to any. I consider it A No. 1 for Tobacco."

JOHN W. CARLTON, Durham, N. C., says: "I used the Durham Bull with several other leading fertilizers for tobacco sold on this market. I like the Bull much the best. In fact, the Bull is by odds THE BEST commercial fertilizer I ever used."

J. T. RIGSBBE, Durham, N. C., says: "The Bull is as good as the best. Never used anything that was better."

ALLISON & ADDISON'S STAR BRAND SPECIAL TOBACCO MANURE FOR GROWING FINE, BRIGHT TOBACCO.

1865. 1886.

# Allison & Addison's

## Star ★ Brand

# Special Tobacco Manure

**Continues to hold the Front Rank in the Line of Commercial Fertilizers,**

**For Growing Fine Bright Tobacco.**

The constantly increasing demand for this High-Grade, Standard Fertilizer is the best evidence of its value.

***EVERY BAG IS GUARANTEED TO BE OF STANDARD QUALITY.***

## ☞It is high time that you go back to first principles.

**You can't take any Fertilizer that comes along and expect to make Fine Yellow Tobacco.**

Twenty years ago the first fertilizer, then known as "GILHAM'S," and now as the

## "ANCHOR BRAND,"

ever prepared for the Tobacco crop, was offered to the planters of this latitude. It beat the old-fashioned Peruvian Guano, in the quality of the leaf it produced, and has to this day stood at the head of everything ever offered for this crop. It is perfect in chemical arrangement, and in mechanical condition has never had an equal. Where this article is the standby of the planter there is little heard about poor tobacco; and if there ever was a year when the necessity of using **only** this thoroughly-tried article was pressing, the coming season is the time. The aim, from the beginning, in the preparation of this article, has been to secure not only **fine color, but a tough, leathery texture,** and this has been fully accomplished. **The Fine Yellow Wrappers that took the highest premium, over all competitors, at the World's Fair, New Orleans, were produced by the "ANCHOR BRAND."** With a fertilizer as **absolutely reliable** as this article has proved itself to be, it is hard to understand why any planter could be induced to use anything else.

☞The **"ANCHOR BRAND"** is sold at every point of importance in the tobacco region, and will be furnished in lots to suit by our representatives there.

It is a design of our own, and gotten up especially for such of our customers as want a nice, tasty harness. The day has passed for common machine work. PEACE INSTITUTE, RALEIGH, N. C.

# PEACE INSTITUTE

## RALEIGH, N. C.

**The Annual Session Commences on the First Wednesday of September, and Closes First Wednesday in June Following.**

***PUPILS RECEIVED AT ANY TIME AND CHARGED FROM DATE OF ENTRANCE.***

The attention of parents looking for a first-class school for their daughters is called to the following advantages claimed for PEACE INSTITUTE:

**First**—An experienced and highly accomplished corps of Teachers in all branches usually taught in first-class seminaries for Young Ladies and Girls. Advantages for instruction in Music, Art and Modern Languages unsurpassed.

**Second**—Location at Raleigh, the Capital of the State, in direct railroad and telegraphic communication with every place in the country. Principal office connected by telephone with telegraph office. Climate of Raleigh proverbial for health.

**Third**—Building most conveniently arranged of any in the State; heated by steam and lighted by gas. The sleeping-rooms of pupils arranged for two occupants, neatly and comfortably furnished, and each warmed by a steam radiator, danger from fire in use of open fireplaces and stoves being thus avoided, as well as health and comfort promoted. The large and elegant assembly-room is lighted by electricity, and electric bells are through the whole building.

**Fourth**—The religious advantages. All the Protestant churches are represented in Raleigh. While PEACE INSTITUTE is under the auspices of Presbyterians, it is by no means sectarian. Pupils on the first Sunday of each month attend churches of their parents' choice.

**Fifth**—Expenses less than any Female Seminary offering same advantages.

☞ Special terms for two or more pupils from same family or neighborhood. Correspondence solicited.

☞ For Circular containing full particulars, address

**Rev. R. BURWELL & SON,**
